## ADVERTISING RATE/DETAILS

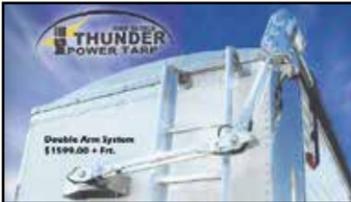

God bless you for considering supporting The Nebraska Living Times through advertising. Ads within the paper are the most important way that the newspaper generates money to print each month. The ad rate for the Nebraska Living Times is \$10 per column inch. Below are examples. If an ad is prepaid for six months, the advertiser will receive one month of free advertising. If prepaid for one year, the advertiser will receive two months of free advertising and so on. Those with questions are asked to contact Becky at [nelivingtime@outlook.com](mailto:nelivingtime@outlook.com) or call her at 308-352-8527. Thank you.
